## Message from Director

We as a Company has grown this level because of the standard operational procedure we follow and strict adherents to quality measures with customer satisfaction. Last year we concentrated on Employee performance so, we have developed KPI and KRA for all employees. This year we are growing to concentrate on HR best practices. As we value people more than anything, we embrace the employee growth as ours so we would continually strive to take care of employee well being in and out of office.

### IN THE ISSUE

WE HAVE CREATED NEW WEBSITE FOR OUR COMPANAY

OUR DIGITAL PRESENCE BLOG AND YOUTUBE CHANNEL

COMPETETION: YES AWARDS AND MADE IN TEKLA

# Competition

## Made in Tekla

Made in Tekla Competition is something well known in our industry. This year we also applied for competition. Here the scope of job is, we have to model and detail a circular hopper and blow chute. As this is a refurbishing project it was a challenging task for us to model it with 75 years old hand drawn sketch and what is more tedious is that the hooper consists of conical plates spliced horizontally and vertically.

## YES Award

We as a company believe in Learning new technology and adapting them is the first step towards growth. We have implemented technology in all departments and striving to improve in all possible manner. That is why we got selected one among the three finalist of YESCON Award in technology category.

# Events

The world is slowly recovering from the pandemic. we are happy to celebrate few remarkable occasions with our extended family.

## Pongal 'o' Pongal

We at ADEPT celebrate Pongal as a day to remember our hard work of the previous year. We get dressed up in our traditional wear Veshti and Saree. As a part of celebration we prepared sweet pongal. We are happy for the last year and willing to work more effectively this year.

## Women's Day

Though women employees are less in number we are honored to work with them as they have chosen a field which is quite different from the herd. We would like to give wings to such women who dare to fly high. We decorated the office and had cake cutting to kindle the celebration vibe.
