MADE IN TEKLA

We are happy that our entry in the “**Made in Tekla**” program titled “**Conical Refuse Bin with Blow Chute**” has been shortlisted for the next round within the ‘Detailing and

Fabrication’ category. We created a short video for 5 mins and submitted the same for the next round. Our team learnt a lot from it and we hope to win in coming years.

ADEPT ANNIVERSARY

We celebrated our 9th anniversary this year on May 1st. We started with single digit and now we are 70 people company. So far, we have completed 20000 tonnes and 500 projects.

In these years we have worked for many countries like USA, UAE, Australia and India. As you can see our foot mark all over USA. We thank our customers and employees who made this happen.

WORKSHOP

Our Employees attended the webinar conducted by NISD on 17th July virtually. The webinar is on Tips and Tricks for Successful Steel Detailing Project Management by Ryan Wunderle, President at American Steel Detailing.

QUARTERLY REWARD

ASPIRE REWARDS

Our employees involvement in habit formation both personal and professional betterment has earned them rewards. They have cultivated a remarkable habit and also earned prize according to their points.

The team aspire also played a key role in helping our employees to keep in track their habits. They also introduced the second level in habit formation. Employees & they are progressing well.

APPRENTICE MELA

Adept took part in Prime Ministers National Apprentice Mela held at Government polytechnic college, Namakkal. With an aim to connect the youth with more opportunities of on-ground training within corporates and further a chance to get employment. We are happy to take part one among the 17 companies. It would be a great opportunity for the student.

INTERNSHIP TRAINING

An internship is the perfect opportunity to explore future career options, and to begin to build both a portfolio and a professional network. At Adept, our vision is to develop our fellow beings in rural area.

This internship has provided that opportunity to pay a way for their future. Students from Government Poly Technique College, Mohanur attended the internship training for 25 days.
