Ayudha Puja Celebration

On the day of the festival, all employees came to the office dressed in traditional Indian attire. The office had arranged for a puja ceremony where all the equipment used in the office were worshipped. This included computers, printers, stationery, and other equipment. The puja was conducted by a priest who chanted mantras and performed rituals to invoke the blessings of the Gods.

After the puja, sweets were distributed to all employees, which was a highlight of the celebration. Overall, Ayudha Pooja in our office was a beautiful and meaningful celebration that brought everyone together. It was a reminder of the importance of showing gratitude and respect to the equipment that help us in our daily work.

Tekla User Day -virtual event

Tekla User Days is an annual event organized by Tekla. The event is designed to bring together Tekla users from around the world to share knowledge, learn from experts, and network with peers. We at Adept encourage all the employee to attend this virtual event for sure to enhance their skills.

The event typically includes keynote presentations, technical sessions, and interactive workshops, covering a range of topics related to Tekla's software solutions. The event is a great opportunity for employees to learn about the latest advancements in Tekla's technology and how it can be applied to their work.

Attending the Tekla User Days event can be a valuable learning experience for employees and can help to enhance their skills and knowledge in using Tekla's software solutions.

5s training in JSW

As, a part of commitment to continuous improvement and employee development.

Our employee attend 5s training in JSW at salem. 5S is a methodology that aims to improve workplace organization and efficiency, and it can have a significant impact on productivity, safety, and quality. By implementing 5S principles, employees can create a more organized and efficient workplace, which can result in improved productivity, better quality, and a safer working environment. They can also identify and eliminate wasteful activities or practices, reducing costs and increasing profitability.

ADEPT Vybhav

We are excited that our company's annual celebration, Vybhav was celebrated in a grand manner in the month of October.

This event is a special occasion where we come together with our employees and their families to celebrate our achievements and strengthen our bonds. We celebrated our achievements and showed our appreciation for our employees with awards and bonuses, recognizing their hard work and dedication throughout the year.

The event was made even more special with an incredible magic show that wowed both adults and children alike. In addition to the entertainment, we also provided a sumptuous feast of delicious food, giving our employees and their families a chance to relax, mingle, and enjoy each other's company. It was a wonderful opportunity to bring everyone together and strengthen the bonds within company and family.
